EXPERIENCE

Full Stack Web Developer

Britwise Technology

Jan '24 — Present Pune, India

- Developed responsive user interfaces with ReactJS/NextJS, increasing user engagement by 30%.
- Integrated Redux for efficient state management throughout the application, ensuring data consistency and scalability
- Designed and refined web interfaces with HTML, CSS, and Tailwind CSS to ensure cross-device compatibility. Utilized GitHub for version control, enhancing codebase stability.
- Optimized backend performance using Node.js, Express.js, and MongoDB, improving data processing efficiency by 20%
- Deployed applications with NextJS, achieving 95% uptime. Led code reviews and actively contributed in team meetings, resulting in significant improvements in code quality and team cohesion.

MERN Stack Developer

Skill Academy By TestBook

Feb '23 — Aug '23 Pune, India

- Enhanced user engagement by 25% through front-end development with HTML, CSS, JavaScript, and ReactJS.
- Enhanced server performance by 30% through optimization of back-end code, middleware efficiency improvements, and advanced techniques using NodeJS and ExpressJS.
- Improved data retrieval efficiency by 20% using MongoDB. Ensured seamless code collaboration with Git and GitHub.
- Achieved a 40% reduction in deployment time through architecting and implementing CI/CD pipelines, significantly enhancing the efficiency and reliability of the release process.

SKILLS

Frontend Development : HTML5, CSS, Tailwind css, JavaScript ES6+, ReactJS, Next.js, Redux

Backend Development : Node.JS, Express.js, MongoDB

Tools & Technologies : Git, Github, RESTful API

PROJECTS

Learning Management System, Britwise Technology [[Link](#)]

Feb '24 Present Pune, India

- Developed a robust LMS using **ReactJS**, **NextJS**, and Tailwind CSS with MongoDB as the database.
- Implemented secure **authentication** with **NextAuth** and **JWT** for enhanced user privacy.
- Enabled admins to add and manage courses, view all courses, and track student enrollments and activities.
- Allowed students to enroll in courses, manage their profiles, and monitor their overall activity and progress.Ensured a **responsive design** for seamless (UX) **user experience** across devices
- Integrated Redux for efficient state management throughout the application, ensuring data consistency and scalability.
- Demonstrated proficiency in array/object manipulation, RESTful APIs, and clean code practices

Portfolio [[Link](#)]

Apr '24 — Apr '24 Pune, India

- Designed and developed a responsive portfolio showcasing projects and skills using **HTML**, **JavaScript** and **Tailwind CSS**,**ReactJS/NextJS**.
- Implemented modern **UI/UX** principles and responsive design for accessibility across devices.
- Included a **dark theme** option for enhanced user experience and accessibility preferences.
- Secured user authentication with JWT (JSON Web Tokens).Deployed on **GitHub** Pages for easy access and demonstration.

Next.js Order Management System (OMS) [[Link](#)]

- Developed a responsive inventory and manufacturing management system using React, Next.js, and Tailwind CSS.
- Implemented **CRUD** operations for orders and inventory items, enhancing UX with **filters**, **search**, and **pagination**.
- Utilized **local storage** for **state management**, ensuring seamless user experience and data persistence.
- Demonstrated proficiency in array/object manipulation, **RESTful APIs**, and **clean code** practices.

Shoping Cart/ Redux [[Link](#)]

Apr '24 — Apr '24

- Integrated **Redux** for efficient **state management** throughout the application, ensuring data consistency and scalability.
- Designed a Cart page enabling dynamic product **quantity adjustments**, **item removals**, and real-time cost calculations, enhancing user control and experience.

AWARDS

Best Intern of the Year [Certificate](#)

Britwise Technologies Pvt. Ltd.

Pune Jun '24

Recognized for outstanding performance and contributions during internship at Britwise Technology as Full stack web developer.
